

Dan Belforti for U.S. Congress

NEW HAMPSHIRE 1ST CONGRESSIONAL DISTRICT

...for a small federal government

Dan Belforti is running for U.S. Congress to shrink the excessive spending, taxes, and authority of the federal government.

DAN BELFORTI WILL WORK TOWARD:

YOUR BENEFITS:

Reducing foreign entanglements and commitments unnecessary for U.S. security	→ Promotes peace and prosperity while encouraging voluntary cooperation from other nations
Preserving military resources necessary to protect the nation (See cato.org for more info)	→ Reduces the likelihood of future terrorist attacks
Replacing the federal income & capital gains tax with a national sales tax on consumption (FairTax.org)	→ Eliminates tax filing, workers/retirees keep entire paycheck, pre-rebate reimburses taxes on basics
Eliminating corporate subsidies and other wasteful federal spending	→ Creates millions of new private sector jobs
Balancing the federal budget every year	→ Dramatically stimulates the world economy
Assessing pollution user fees instead of huge federal subsidies to oil/gas/coal/nuclear industries	→ Protects the environment by creating financial incentives to use cleaner and safer energy sources
Strengthening Social Security with optional personal retirement accounts for younger workers	→ Creates a sustainable system necessary to honor obligations to retirees and future generations
Ending the wasteful and destructive federal war on non-violent drug users	→ Redirects police & prison resources toward prevention & prosecution of violent crime
Respecting individual state rights allowing doctors to prescribe medicinal marijuana	→ Empowers cancer/aids patients and their doctors to relieve suffering, regain appetite and reduce nausea
Repealing the unconstitutional, invasive and ineffective "Patriot Act"	→ Restores your civil rights to property & privacy
Ending excessive federal government controls over health care. Expand health savings accounts and health care vouchers.	→ Reduces the cost of health care and Rx drugs while encouraging innovation and preventive care
Eliminating the one-size-fits-all federal department of education mandates	→ Empowers parents, teachers and school boards to improve education through school choice initiatives
